The perfect place to say "I do"

With views overlooking the rolling hills of the South Downs, our South Downs Suite and adjoining Private Garden is a stunning setting to celebrate your wedding day.

A beautifully versatile space, our South Downs Suite can be sectioned to create some more intimate spaces, as well as allowing setup and changes throughout the day to run smoothly. We have a range of Trestle and Round Tables, as well as Silver Banqueting Chairs, all included with all our wedding packages. Alternative chairs and rustic tables can be hired.

The suite has French doors all along one wall, allowing beautiful natural light to flood in. The doors open up onto a beautiful terrace/garden area along with a rustic stretch tent, useful for shade in the sun or cover in the wet and the perfect space for your drinks reception.

The South Downs Suite also has a fully stocked private bar in the room, open for the whole day and evening.

“Oh my goodness, where to start?! What a wonderful experience we had at Tottington Manor. I cannot recommend highly enough. From the very beginning, meeting Helen who showed me around, to every following step of arranging with Cat, we were made to feel like one of the family... All the staff were so attentive, making us feel like royalty. An absolute perfect day in the perfect setting. Best day of my life”

The Stretch Tent

The perfect space to enjoy the outdoors and the South Downs views at Tottington Manor. The Stretch Tent is the ideal setting for your Drinks Reception and Photobooth. It is a lovely, relaxing and comfortable space to chat with guests.

Our Stretch Tent is well maintained and being waterproof, is perfect all year round. Permanently adorned with modern festoon lighting, comfortable rattan furniture and heating, it really adds atmosphere to our outdoor space and adds a rustic touch to our 4 Star Boutique Hotel.

Add canapés and a singer or a musician to your drinks reception, it can really make for an atmospheric start to your wedding celebrations.

“We just wanted to say a huge thank you to you both and all the staff who made our day so special. Everything was great. We cannot thank you enough for being amazing from the start - we knew straight away we wouldn't be let down - we couldn't have done it without you. Since the wedding we've had so many positive comments about the venue and the food. We will always be visiting, especially now Tottington Manor has a really special meaning for us. You won't be forgetting our faces”
